

# LPS Contracting

Service: Website Design, SEO & Google Ads

Industry: Marine Construction

Website? Check!, First Page Rankings? Check!

**O4S**'s hard work resulted in:

Website Built  
in 30 Days

First Page Rankings  
within 3 Months

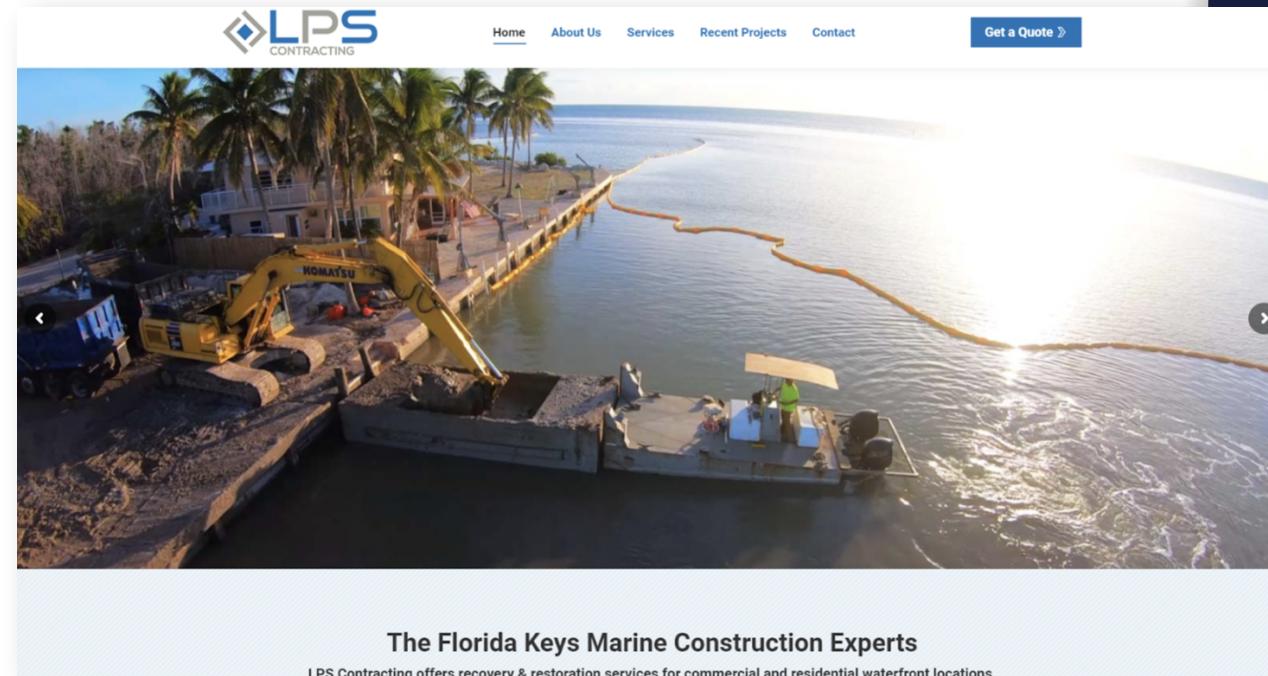

Dominating First  
page of Google

# Company Overview

Reputable Florida Keys Marine Construction company. Whether you need marine construction, infrastructure rehabilitation, deck building or a host of other waterfront restoration services, LPS Contracting has a longstanding reputation for delivering high-quality results on time and on budget.

## Problem

- Website that wouldn't convert
- Website that wouldn't rank
- No online presence

# Ranking Reports

December is one month after O4S built the LPS Website.

December 2019
